

## Post Results Services Summer 2017

Having received your examination results, you may be questioning whether you would like to apply for one or more of the Post Results services offered by the Examination Boards. Before you make your decision, it is imperative that you fully understand your results and which options you could consider in order to make the correct decision. Please seek advice from a teacher or from the Exams Officer. Once you have reviewed your results and decided which option is best for you, please complete the Post Results Application Form available from the Exams Office – cash or cheque is acceptable at the time of submission of the request.
