

THE CHERWELL SCHOOL DRESS CODE

We do not have a uniform at The Cherwell School but students should wear clean clothes that are suitable for the workplace. Students wearing indecent or inappropriate clothes (e.g. clothes which are too revealing or clothes which have an offensive picture or slogan) may be sent home to change or be asked to change into their PE kit if they have it with them.

Some faculties (Science, ADTe and PE) have additional clothing regulations for health and safety reasons and students will be informed of these during their first lesson in that subject.

The Cherwell School does have a uniform for PE and details of this can be found on the website.
